Why Should I Support Auction of Dreams?

- The money raised goes directly to fire and police agencies, recreation councils and other nonprofits that serve my community.
- Because the auction is entirely volunteer-driven, none of the money raised goes to overhead. Every penny goes back into my community.
- It's a great opportunity to bring the family out for an afternoon of fun, socializing with neighbors and friends, and helping my community.
- With so much bad news out there and so much to worry about these days, it's great to be involved in something positive that brings people together in an effort to solve problems and strengthen communities.
- It's a terrific example of what can be accomplished when many individuals work together in small ways to create an important result. A little effort from each of us means huge benefits for all of us.
